To Whom It May Concern:

This letter serves as a formal declaration that **Kendall Howard, LLC** (“Company”) certifies compliance with the **Build America, Buy America Act (BABA)** requirements as mandated under the **Infrastructure Investment and Jobs Act (IIJA), Section 70901**, specifically but not exclusively for the products identified in **Addendum A** to this document.

As a U.S.-based manufacturer of network infrastructure products, we affirm that the items listed in Addendum A meet the criteria outlined under the BABA provisions, which require that materials used in federally funded infrastructure projects be domestically sourced and manufactured.

For the products listed in Addendum A, Kendall Howard confirms the following:

Domestic Manufacturing

All listed products are manufactured within the United States using materials sourced from domestic suppliers, unless otherwise explicitly noted.

Supplier Compliance

The materials and components used in the manufacturing of these products are procured from suppliers who comply with BABA domestic sourcing standards.

Verification Process

Kendall Howard maintains a documented internal compliance process, which includes supplier documentation, attestations, and material traceability reviews to verify the domestic origin of components used in the products listed in Addendum A.

Supporting Documentation

Upon request, Kendall Howard will provide product-specific certification forms and supporting supplier attestations to substantiate BABA compliance for the listed items.

Please note that **Addendum A** is not an exhaustive list of all BABA-compliant solutions produced by Kendall Howard, LLC. We regularly design, engineer, and manufacture tailored solutions that meet BABA requirements. Many of these custom products are developed exclusively for specific clients and are therefore not publicly listed.

Kendall Howard remains committed to U.S. manufacturing excellence and actively invests in domestic sourcing strategies to ensure continued compliance. We welcome the opportunity to support our customers' federal and state procurement needs with innovative, BABA-compliant solutions.

If additional information or documentation is required, please contact us at **(651) 213-1333** or email sales@kendallhoward.com.

Sincerely,

Danny Campbell
