EASY MANAGEMENT

Kendall Howard Flat Cable Lacing Panels manages cables to and from patch panels, switches, and other networking devices. The panel design lets you secure cables to the vertical and horizontal lacing slots with our Hook and Loop Cable Ties (SKU 0300-1-002-00 sold separately). Mounting our Flat Cable Lacing Panels to your rack allows easy and manageable access to connections that otherwise be difficult.

FEATURES

- Supports and relieves strain at connection points
- Effortless cable organization
- Available in packs of 10
- Vertical and horizontal lacing slots
- 19" EIA 310-D compliant
- Made in the USA
- Limited Lifetime Warranty

The simplistic design
makes installation easy!

The Answer is Yes! What's the Question?
