QUALITY BUNDLED FEATURES

- Our American made Linier 42U Glass/Vented 36" depth cabinet is ideal for network servers, battery backups, switching banks, and larger network equipment.
- Quickly remove ambient heat from your cabinet with our 115V/78 Fan Kits.
- The Kendall Howard 1U 4-Point Adjustable Sliding Shelf is designed to mount on 4 rails and supports large and heavy equipment up to 250 lbs.
- The Linier Brushed Cable Access Panel provides smooth cable entry while efficiently retaining exhaust air within each cabinet.
- The 1U 20" Rack Mountable Sliding Shelf is our perfect answer to convenience. Thanks to its 100 lb load capacity and the smooth sliding ability, it's easy to access the back of your equipment.
- Our high-quality 10-32 rack screws and cage nuts are always essential when installing rack-mount devices.
