

OPTIMIZE SPACE WITH V-RACKS

Limitless Options. Endless Possibilities. Your Obvious Solution.

VERSATILE AND IMPRESSIVE

Introducing Kendall Howard V-Racks - the genius solution for maximizing your server and device storage. Our V-Racks come fully equipped with your choice of 10-32 tapped or cage nut style rails, making them perfect for all your compact equipment needs. Whether you're a fan of vertical or horizontal mounting, these racks can accommodate devices of any depth. And here's the best part - you can choose to wall-mount them or place them neatly under your desk, giving you unmatched flexibility and efficiency in utilizing your space. Say goodbye to clutter and hello to optimized productivity with Kendall Howard V-Racks!
