

LINIER® SWING OUT WALL MOUNT CABINETS

Cable management and installation made easy with a turn of a key

SWING DESIGN

LINIER® swing out wall mount cabinets allows you to unlock and swing out the cabinet 90 degrees, while hinged to its sturdy back frame mounted to the wall. This creates an additional workspace and permits easy accessibility for terminating, installing and managing cables.

DIVERSE DOOR OPTIONS

Kendall Howard offers 3 different door styles to accommodate your server and network needs. Each door style can be removed or reversed to be left or right mounted.
