

## Declaration of Compliance REACH

Regulation, Evaluation, Authorization and Restriction of Chemicals (REACH)

The Regulation, Evaluation, Authorization and Restriction of Chemicals (REACH) is a European Union regulation dating from 18 December 2006. REACH was developed to improve the framework of regulation for chemical 'substances' and 'preparations' through complex litigation requiring the registration of chemicals entering the European Union to improve the protection of human health and environment.

Kendall Howard LLC does not manufacture, re-sell, or distribute 'substances' or 'preparations' as defined by REACH.

Kendall Howard LLC is manufacturer of technical furniture products defined as 'articles' which must conform to Article 33 and obligates Kendall Howard LCC to disclose the presence of any substances of very high concern (SVHC) which can be found on the candidate list of substances of very high concern (Annex XIV) with a threshold above .01% (w/w). The full list of SVHC can be found on the European Chemical Agency's (ECHA) web address provided below.

<https://www.echa.europa.eu/candidate-list-table>

Kendall Howard hereby certifies that registered catalog products manufactured by Kendall Howard LLC and procured materials used in the construction of such products, to the fullest extent of our knowledge, comply with REACH regulations, and do not contain SVHC's above the threshold defined in Article 33 unless otherwise specified in part compliance documentation.
